Transport costs for Gauteng:

R 200 per rack

National transport costs (outside Gauteng):

+R 800 per rack (to be quoted per delivery)

Good wine must be properly stored. It should be racked in a horizontal position in a cool, dark place. The corks should be kept wet and the bottles must be easily accessible. It must be possible to identify a wine without moving it in and out of the rack: there is no point in storing a wine in absolute tranquility until the moment of service, and then shaking it violently to get it out of its box or off a shelf just before opening it. The various Steelrax™ units solve all the problems of wine storage with an astonishing economy of space.

Steelrax™ units are completely maintenance free. Made of wrought iron, primed and sealed, and coated in matt black paint, they are aesthetically pleasing, highly functional and amongst the least expensive forms of wine storage, considering the accommodation they offer. Steelrax™ units are supplied fully assembled, with wall
